Re: Renewal Application for Jumbo Class III Solid Waste Landfill, Permit #9418.

Dear Mr. Downs:

United States Gypsum Company, a Chicago based company, wishes to submit a renewal application for the Jumbo Class III solid waste landfill, permit #9418. The landfill is located on patented mining claims in Sevier County, Township 22 South, Range 1 West, Section 29. The Jumbo landfill is incorporated into the company's on going Approved Reclamation Plan. A variance was submitted on August 20, 1993 to obtain approval from the State of Utah, Department of Natural Resources, Division of Oil, Gas, and Mining. The Department granted the variance based on the approval of permit #9418. If you have any questions regarding this submittal, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Bryan Tilley".
